President's Message - Jack H. Rowlands

As the new president of Torks let me first thank everyone for allowing me to be president. I only hope I can do as good a job as Matt and all the previous presidents that have made this club what it is today. We also have some new officers. Victor McCalla is Vice President Dave Agee is Secretary and will work with Randy Thomas to publish the Torkstalk, and Dave Pickenpaugh will continue as Treasurer. (Thank goodness).

As the new president I will undoubtedly make some mistakes and I'll need a great deal of help. I hope you'll forgive the mistakes

And pitch in where you can. I've already gotten lucky as

Several members have come forward and offered to help any

Way they can. Believe me I will take advantage of these

Gentlemen in the near future.

And so to the business at hand. I would strongly suggest everyone attend the April 25th meeting at the Field of Dreams. Lots of things to discuss and decisions to make ,budgets dues ,jet scramble ,maintenance ,improvements ,fun fly's ,events and social function. The Executive Committee will meet 4-22-04. To distill the information and options to present to the membership. What we feel is the best course of action for the future. This does not mean your thoughts and comments are not needed and wanted. PLEASE speak UP, Bend my ear at the field or call me at home 888-2106.

Before I go any further I

need to recognize some committee chairman, past and present who have contributed and/or continue to serve the club. Chuck Elkins is safety and Greg Poppel for site retention. Thanks Chuck and Greg. Doug Johnson has had to step down from the orientation committee but Matt Finley has jumped in. (thanks) Matt. Dwayne Gould will not be able to continue as field committee Chairman. We need to fill this position ASAP Doug and Dwayne thank you for you help over the past years. Of course Terry continues as the force behind WOOJS. Thanks Terry.

Ok enough of this administrative function. Lets go fly. See you at the field.

Jack H. Rowlands

Message from the newsletter writer.

I would like to thank all of those people who stepped up to the responsibility, of officers in our club.

I will still be writing the newsletter, but as some of you may have noticed? It seems to be getting a little shorter each month. This phenomenon is caused by the lack of input. The newsletter has several responsibilities. Mainly to publish the minutes of the last meeting and notify the members of the new upcoming meeting. It is also a voice for every member to put forth their ideas for our club. This enables the other members to read and discussed this before the meeting. I would also like to see articles from the members on interesting aspects of our hobby. Jack, can forward these ideas to be printed. Or you may submit them to my e-mail address
 RT3852@Columbus.rr.com

Hope to see you all at the field Randy
