From Terry Nitsch's Desk — June 2006

Greetings,

Your Jet Scramble planning committee is working hard to make this event the best ever. Lots of information is being posted on the web site, check it often for updates. We are only about 10% filled as far as the help schedules go, so if you can make it, please volunteer.

Unfortunately this event requires lots of warm bodies to be successful. Things should be a lot easier for everyone since the event is at the field once again. The work schedule will be posted in the next news letter. Several members have verbally volunteered, but it is much easier to track the assignments if the volunteer forms are filled out. We will keep the organization updated through the TORKS TALK as things progress.

Let's continue to make this Jet Scramble the best!

On a related note, please plan to attend the **Pig Roast / June 17th**. This will again be a BIG deal. The Menu will be Roast Pig, Chicken, Potato Salad, Slaw, and Baked Beans. Dessert will be Pot Luck, so bring your favorite!

We will Fun Fly until 5:00, then shut the field down for the party. Several door prizes will also be given away to club members in attendance. This event is open to all members and their families. Be sure to bring chairs and small tables. You don't want to miss this one.

Terry
