Letter from the Editor:

Time sure has flown ( no pun ) this year! It was just weeks ago that you could still fly at 8:15 and now you better pack up by 7:00!! Well, that means it is getting close to heading to the Dome for some indoor Electric action! The JR Indoor Electric Festival is coming up quick on **November 2-4th** at the Four Seasons Golf Dome. Be sure to come out and have fun!!

It also means that this Months meeting will be the last one for awhile, so I am sure there are some items to clean up before the new year! Be sure to come out and see what up!

I finally got the time to get the new sign up! Thanks again to extra hands to get her into place. Thanks guys! It should last a while!!

That's all I have for now.....

Mike
