## From the President's Hangar

By Dave Agee

First off, I'd like to wish everyone a Happy New Year and an excellent flying season!

**Officers for 2009**

This is the time of year for us to start thinking about officers for 2009. As most of you know nominations are due at the February meeting, and then we will vote for the 2009 officers at the March meeting. This year, Terry Nitsch has stepped up and is taking a key role in helping me with the nominating process.

As of this writing I have received notification that the following individuals will be stepping down from their positions of responsibility in the club and/or not running for re-election in 2009.

Vice President	Bob Lewis
Treasurer	Dave Swaddling
Secretary	Matt Finley
Field Marshall	Chuck Elkins

In addition to their responsibilities as officers of the club, each of these individuals have also been key members on various committees greatly contributing to the success of those events. I'm sure each of you will join me in thanking each one of these club members for their excellent work towards shaping TORKS into what it is today.

We will also have at least one and maybe two positions open on the steering committee. We also are looking for someone to help with TORKS and EJET website activities. I am considering running for President again and there have been a few members considering the open executive positions.

**Anyone interested in running for any position should consider it!** If you have an interest, please contact Terry or myself! After all it is an election, multiple candidates are not only allowed but also encouraged

**NOISE!!!!!!**

As you know we have established a committee to address noise concerns at our field this year. I hope to have a kick off meeting before our January meeting. All of you can help in the noise reduction effort. As you are working on those winter projects, think about how you can reduce noise at the field through the equipment you buy, etc. Remember it will be far better for us to control noise ourselves than have someone else dictate it!

**Budget Planning for 2009**

One of the first tasks of the new officers will be budgeting for 2009. At the Jan meeting we will be talking about what we did in 2008. What we liked, what we didn't like, and what we would like to do in 2009. Areas to think about are Field Improvements, Sanctioned or Public Events, and Member activities and Events. Come to the meeting with your thoughts and wishes for 2009.

See you Sunday at the Police Station January 25<sup>th</sup> at 2:00 pm.

**Here's a little something to get the aviation blood moving to get you ready for the season!!!**

# UPCOMING EVENTS

## Sunday January 25th

Club Meeting 2:00 PM  
at the  
Grove City Police Dept.

**This is weird....EVEN FOR ME!**
